

The Parsonage Survey results:

All respondents were Alford property owners

Q: The house on the property could require substantial work, depending on use. In general, are you in favor of the town considering funding such a project if estimates were presented?

YES: 96    NO: 16    MAYBE: 21

Q: Now that we own this property, do you have any thoughts on how the house and one acre of land could serve our community or the Town of Alford's needs in the future? If so, what are your thoughts?

Community Space: elder services/freecycle/food & supplies exchange/ art events/music venue/yoga space/meeting space and meeting rooms/ youth center/children's nursery

Rentable Community Space for parties and special events

Library: move Children's library over, create adult library

Town Offices or Main Admin. Office w/ Vital Records Storage and Meeting rooms and overflow space (upstairs) for video feed of town meetings. Kitchen for town workers.

Museum of Alford with historical archives

Highway Dept. bunkrooms and showers

Café with arts and craft gallery and meeting rooms

US Post Office

Guest House for Alford residents' use

General Store

Q: The property due south of the house includes developable land that extends to the wetlands with a conservation setback. You are welcome to walk the property behind the house that has a cleared trail to the wetland. Do you have an opinion or vision on what best to do with this land?

Park with trails to wetlands (w/outdoor fire pit)

Park with Pavilion and wetlands walk/boardwalk

Parking for Wetland Walk (demolish house).

Highway department kick-out for storage and parking
