

SECTION 6.1 OF THE ZONING BYLAWS
(amended from publication to eliminate a mistakenly-repeated phrase
and as adopted at Town Meeting)

- 6.1 General.** Every structure and building shall be so constructed and located on a lot as to meet the minimum requirements of lot area, frontage, width, front, side, and rear yards, and the maximum height of buildings and structures as set forth in the Table of Dimensional Requirements, Section 6.6 herein, except as may specifically be otherwise provided in this By-Law.
