

Minutes Alford Select Board Via Zoom

July 2, 2020 11AM

Present: Charles Ketchen, TJ Horrigan, Monty Green Via Zoom: Peter Puciloski, Peggy Rae Henden-Wilson, Jayne Smith,

Meeting called to order at 11AM

Horrigan and Green presented the Recycling Bid for the Transfer Station. Roger's Trucking submitted the lowest bid. MOTION by Puciloski to execute the contract for transportation of trash and recyclables with Roger's Trucking. Seconded by Henden-Wilson. Motion passed unanimously.

Horrigan and Green presented the Bids for Blacktop for West Road. LB Corp had the lowest bid at \$63.50 per Ton. MOTION by Puciloski to execute the contract for paving West Road with LB Corp. Seconded by Henden-Wilson. Motion passed unanimously.

BOH update: Jayne Smith reported there is an extremely high count of E-coli in Alford Brook and Seekonk Brook. Testing is being performed by the Housatonic Valley Association weekly. They will also try to determine the source of the contamination. Most likely from fecal material from animals. The public needs to be advised not to swim or wade in those brooks until further notice. Smith will have signs made and asked the Highway Department to post them at the bridges in Alford.

Phase 3 step 1 will start on July 6, 2020. Smith informed the Board it is permissible to hold Select Board Meetings in person as long as social distancing is enforced. A soft opening of Town Offices will start on July 6th and possibly fully reopen on July 14th.

Germain asked for clarification on the salary for Matt Kollmer, interim building inspector. He will be paid the same as Owen Wright in his absence.

Meeting Adjourned at 11:25

Respectfully submitted
Roxanne Germain
