Highway Update:

Nothing new Paving should start in early September. No date on the culver replacement.

The Selectboard received a copy of a letter from Rich Dahoney, Town Counsel, about the Wacks tree issue regarding the trimming done his property by Infinigy. See attached letter. This issue will be discussed with the Alford Link Commission on whether or not they want to pay for the work and be done with the issue. The town Tree Warden was not contacted by Infinigy or Butternut Land Services before any work was done. Charlie and Peggy do not feel it is the Town's responsibility to pay for the work on Mr. Wacks' property.

Delinquent Customer Policy- Is there an official policy in place for delinquent subscribers? If so what is it, if not one needs to be made ASAP. This issue will be addressed at the next ALC meeting

The Assessors should be ready for a Classification hearing at the next Select Board meeting on September 10, 2018.

The Town is still searching for someone interested in School Committee Rep starting in November.

Meeting Adjourn 12:45pm

Respectfully submitted,

Roxanne Germain
